## Happy 99th Birthday PDG Walt Eckel

A toast to Walt Eckel, Raise high your glass  
 For ninety-nine years he's lived life with class  
 In the year '48 he was there at the start  
 When we chartered our club with his big Lion heart  
 Then in year '62 he led 20-O  
 That was forty-eight long years ago  
 Walt: They say that the first 99 are the hardest  
 But you'll do it again 'cause you're one of the smartest  
 So here's to our Walt a true Lion King  
 To the next ninety-nine; the first were a fling
